

**Bespoke Training**

**CLP: an introduction for suppliers of mixtures**

**REACHReady Offices, London, your location, or webinar**

**Who should attend?**

EU or GB suppliers of mixtures who either import from non-EU/ non-GB suppliers or formulate their own products. Anyone responsible for classification and labelling, as well as those accountable for wider product stewardship issues should attend.

**Why attend?**

Whether you import or formulate mixtures, the CLP hazard classification criteria) means that your products may need to be classified. What will this mean for you and your customers?

This day will help you understand:

- ✓ Your role and obligations under CLP
- ✓ Notification to the Classification and Labelling Inventory
- ✓ The classification criteria for mixtures
- ✓ Selection of P statements
- ✓ Practical labelling issues

Our aim is to give you an understanding of your duties under CLP and practical skills to help you reclassify your products.
