

Programme

UK – Emissions Trading Scheme (UK ETS) – Free Webinar 14 November 2024 – 11.30am – 12:30 GMT

Target audience

Environmental Manager, Energy Managers, Facility and Site Managers, Property and Asset Manager, Finance Managers and Directors as well as middle and senior management involved in business operations and facilities.

This webinar is for manufacturing, storage, and distribution companies only.

Presenter

Graeme Precious, SLR Consulting
Graeme is a Technical Director in the Carbon Energy team at SLR. He works across many areas of energy and carbon reporting with a range of UK businesses. He works with a number of industrial sector clients in the management of energy and carbon reporting and has presented webinars on this topic on behalf of various trade bodies.

Why Attend

This webinar will provide an overview of the UK Emission Trading Scheme (UK ETS): how a site qualifies, what the obligations are if you do qualify, how to meet compliance, the potential financial impacts of participation, and what the UK Government has said in relation to the future of the scheme.

Graeme Precious, SLR Consulting

Agenda

Thursday 14th November

11.30am – 12.30 GMT
